Fall 2017

1203 N. 6th St. St. Joseph, MO 64501 816-364-1131 www.helpmenow.org

Dear Friends,

This year is a milestone for me. It will be the 30th year that I have been involved in the Adopt-A-Family Christmas program. In those 30 years I have seen many of the same faces - as adopters, donors and volunteers - many have grown to be friends. Yet every year I see new faces and meet new people; make new friends. Since 1983 when the program began, 76,220 individuals have been adopted for the holidays through the Adopt-A-Family program. What we don't speak of enough are the nearly 16,000 groups, families and organizations that have made it possible for those individuals to have a holiday at all.

Our adopters are families large and small. They are generations of a family that come together to adopt because they have no needs of their own. They are young couples just starting out and buying gifts for children, like the ones they hope to have someday. They are work groups who come together to provide for several families when alone they could not do as much. They are local business owners who know that helping their neighbors is as important as selling items to them. They are church groups that share in their beliefs to make the world better for others. They are individuals who were adopted as children, or in years when times were tough, who come back to return the kindness that was given to them. They are the families mourning the loss of another family member who want to give happiness to other families when they cannot bear the thought of celebrating themselves. They are this program's best - and only - hope in guaranteeing that the families who apply for help actually get it.

I personally want to thank anyone who has donated to the Adopt-A-Family program these past 30 years. Whether you have adopted, donated items, volunteered or made monetary donations, you are the reason I get to keep helping others. You have made it possible for our staff to see thousands of relieved smiles and tears on the faces of parents who have applied over the many years we have been administering this program. We have gotten more hugs than I can count from adopted families as they pick up their gifts. We have gotten to be some of Santa's most-dedicated helpers - all because of you.

Please continue to make Adopt-A-Family Christmas Program part of your holiday tradition and if you have never adopted before, please consider becoming a donor. You have no idea how many lives you can touch with a simple kindness.

Adopters share experiences

Since we started to participate, my holiday has an additional sense of happiness knowing that we have helped a parent make things happen for their children! We also make sure that the parent is taken care of as well. Everyone should be able to "Believe."

Tammi Gumm, Hersheve & Co.
Adopting since 2013

I have adopted a family for the past two Christmases, and will again this year. As a single mother, I think it is important to show my daughter the reason of the season, and show her it feels as good to give as it is to receive. Each year I have chosen a family that is made up of a working mother and child in similar age to my daughter. Each year we both go shopping for the mother and child, then wrap the presents while we talk about what it means to give. It is an experience that will teach my daughter a lifetime of compassion and thinking of others in need.

I get joy and satisfaction of seeing my own child learn and grow through the experience- it has opened up so much conversation about the lives of others and the world we live in; all in a context she can relate to, Christmas.

I have worked at Barlow Truck Lines, Inc. in Faucett, MO for over 21 years and of that 21 years, I have assisted with or headed up working with the AFL-CIO Adopt-A-Family program for at least 15 years. Penny Adams and her staff work

Small change makes big impact

It might just be nickels and dimes, but the change collected at nearly 100 collection boxes throughout St. Joseph and Savannah adds up to a Merry Christmas for the people assisted by our agency during the holiday season.

The boxes are a long-standing addition to the Adopt-A-Family program that allow individuals to donate a little at a time as they visit their local grocery store or gas station. They can be found in a variety of places, including grocery stores, boutiques, banks, restaurants, convenient stores, gas stations, auto repair shops, and specialty shops. Over the years, more than 200 locations have hosted the boxes and directly contributed to the success of the Adopt-A-Family program.

In 2012, the agency created the Master Elves traveling trophy in honor of the staff at Casey's General Store at 22nd & Walnut. The staff at Casey's raised more than \$2,500 for the program three separate years, setting an all-time record since the collection boxes were implemented more than 10 years ago. The trophy is awarded to the business that raises the most funds each year. Currently, the Casey's General Store at 22nd & Walnut holds the prize.

 countless hours to make things work as seamlessly as possible and the volunteers that help them are amazing. At our office, I start collecting donations at the beginning of November and, once the families and individuals that we adopt have been chosen (which is so hard because we would like to help them all), the owners of Barlow match the amount of donations collected and I have the privilege of shopping for items on the wish lists and others in our office help wrap and tag the gifts. I can't say enough how humbled

I am to participate in such a worthy, loving cause that helps so many in our community. There is so much bad in our world today; helping put smiles on the faces of people that I don't even know brings a sense of peace. I look forward to participating again this year.
Sandy Bibb, Adopting since 2002

I began to adopt because all of the kids in the family were adults and I wanted to be able to keep Christmas fun. I've been blessed to have a good, yet simple life, and I wanted to give back to others. I enjoy doing it because I know I'm giving others a good holiday and a little hope.

Terms to know for the program

Adoptee/Applicant – Local residents who cannot afford to buy holiday gifts for their family members due to circumstances outside of their control including job loss, illness, financial setbacks or other unforeseen events.

Adopter – Community members who provide Christmas gifts for those in the community that cannot afford to provide gifts for their family members. Adopters consist of individuals, families, businesses and other groups. (Adopter forms can be found on pg 3.)

Collection Boxes – Cash donation boxes located throughout the area at 70+ vendors, including service stations, retail, dining and banking institutions. Donations are collected weekly through the giving season. Donations are used to supplement the AAF program.

Food Baskets – Filled with the supplies needed to feed a family for Christmas Dinner, along with some basic food staples. Food baskets can be purchased from our agency for \$60- \$80, based on size, and will be available for pick up starting December 15.

Gift Room – A “store” located in our building used to provide gifts for families that are not selected by adopters. Gifts are collected at sponsoring stores, through walk-in donations made by community members, and throughout the year in the AFL-CIO Community Clothes Closet.

Gift Trees – Located at K-Mart and all Walgreens and Dollar General locations throughout the city, gift trees have gift suggestion “ornaments” donors can use to buy gifts that are collected by our agency throughout the giving season.

Gift Vouchers – Vouchers are purchased with donated funds to provide those who are not publicly adopted the opportunity to purchase gifts for family members. Vouchers are also used to purchase gifts for elderly and disabled adoptees who are not adopted publicly. Donors can purchase gift vouchers for adoptees through our agency by calling 364-1131.

Helpers/Elves – Volunteers who work within our agency during the holiday season by taking applications, sorting gifts for the gift room, delivering gifts to families, helping adopters select families, preparing food baskets and collecting gifts from sponsor retailers. To volunteer for the program, please call 364-1131.

Santa Claus – Someone who embodies the concept of providing happiness to those around them through acts of selflessness and giving. Also has strong attraction to the color red, reindeer, chimneys, snow, and cookies and milk. Must have twinkling eyes and rosy red cheeks.

Getting involved with Adopt-A-Family as easy as 1 — 2 — 3

Adoption – If you choose to adopt a family or individual through the program, you will be able to experience firsthand the excitement of shopping for each family member and meeting the adults when delivering their gifts. (Or we can make the deliveries for you if you’d rather be anonymous and have Santa take the credit.) Gift cards can also be given as gifts if preferred.

Monetary Donation – If holiday time is at a premium or funds are limited, another option is making a monetary donation. This donation will be used to purchase gift cards and provide gifts for those who are not adopted by an outside adopter. Donations can be made on our website at helpmenow.org or by calling 364-1131. We accept debit and all major credit cards.

Donation Items – Donations of new clothing, toys, stocking stuffers, hygiene products and household items are placed in our gift room for applicants to shop for family members. Items can be dropped off at our offices after Nov. 1. Items may also be purchased through participating stores and collected by an agency representative. See article below for additional details.

Don't forget Christmas Dinner

In addition to holiday gifts, food baskets make a wonderful gift for the families that apply for adoption during the holiday season. The agency has food baskets available for purchase through December 8. A large basket can be purchased for \$80, and a smaller version will be available for \$60.

Baskets may vary, but will include the following: a turkey or ham, potatoes, canned vegetables, stuffing, butter, rolls, fruit, and some type of dessert, which may be cookies, pie or candies. For additional information about food basket options, please contact the office at 364-1131.

Gifting that comes with Free Delivery

By visiting any of our retail sponsors and purchasing a gift from their gift tree, you will be helping to create inventory for our gift room. Each tree is covered in ornaments that include gift suggestions for several different age groups.

Participating stores collect the gifts at the register and an agency representative collects them regularly throughout the holiday season. Please visit these stores to support the gift room: K-Mart, all Walgreens and Dollar General locations in St. Joseph.

Are you a thrifty shopper?

Put your bargain-hunting skills to good use by buying much-needed, teen-related items for our Gift Room.

We get a large number of gifts for young children, but struggle with providing enough for teens age 13 to 18. Cologne, CDs, DVDs, MP3 players, video games, hair products, hygiene sets, purses, wallets, or tennis shoes are all good items to purchase for this under-provided age group.

FAQs

Q What is the family selection process?
There are several steps. First, you should determine the number and type of family(ies) you are interested in – elderly, single-parent, large family, disabled – characteristics important to you. Secondly, come to or contact our office by fax, phone, website or email, and we will provide a variety of applicants who meet your criteria. Step three is selecting family(ies) and getting your choices back to us as soon as possible. Please keep in mind each family under your review will not be shown to other adopters. Your quick response makes it possible for us to get all the families adopted. Once your decision is made, we will need to know a few basic details, such as delivery information and type of assistance you’re providing.

Q How much does it typically cost to adopt a family?
The amount spent on each family is completely up to you. The only thing we ask is each child receive one new gift. If you are buying two to three items for each member, a good estimate is \$40 to \$60 per person depending on age.

Q Do I buy for everyone on the list?
There are no requirements on buying for the entire family. Many times parents will indicate they do not want gifts for themselves. We do ask that all children under 18 are given at least one new gift.

Q Do I have to buy all items on the list?
Not at all. Some items on the list are included strictly to offer additional gift ideas, such as kitchen or bathroom items, that might be needed by the family. There is no requirement to buy those.

Q What if I have questions about the family's gift list?
You can call the family directly or call our agency if you’d rather be anonymous and we will contact them. (Please be sure to talk to an adult as some do not tell their children they are being adopted.)

Q Can I meet the family I adopt?
After you chose your family, you are welcome to contact them directly to make arrangements. If they are willing to meet (and most are), you can work with them on a date and time.

Q What if I can't reach my family?
Many times families do not have a phone of their own or they may lose service. If you cannot contact them through the message number on the information sheet, contact our offices at 364-1131 and we will assist you in reaching them.

Q Do I have to wrap all the gifts?
We find wrapping the gifts should be determined on a case by case basis. If the parents are planning on using the gifts as something from Santa, many times they like them unwrapped. On the other hand, some parents enjoy surprise gifts they might be given. Generally, elderly recipients like unwrapping gifts. We suggest talking to your family to help you decide.

Q How do I know they aren't getting help somewhere else?
All regional organizations that sponsor a holiday program report to our agency; we have a database that tracks all adoptions. If we find a family applied with more than one agency, they have to select one program or it is determined for them. Any fraudulent actions result in immediate removal from the program.

Q What if my budget doesn't cover the family I'm interested in?
You are welcome to find someone to partner with to provide for the family, or we can do it for you. We may be able to find a separate party to provide a food basket or additional household items that are remaining.

Q Can I participate anonymously?
Yes. You can select a family, shop for them and bring the items to our office to be delivered. The families will not be told anything about anonymous adopters.

ADOPT-A-FAMILY CHRISTMAS PROGRAM HOW TO ADOPT A FAMILY OR INDIVIDUAL

Adopters have a variety of options. Families with children, adult individuals, senior citizens or multi-generation families are available and adopters can select as many families as they would like. Once the type of family has been determined, adopters review info sheets for several families fitting the criteria. Info sheets include clothing, shoe sizes and other items on each family member’s wish list. Reviews can be done by email, fax, at our office or by mail. Families will be available for review starting **Monday, November 13**. After reviewing, adopters should notify the agency which family(ies) they would like to adopt.

If adopting a family with children we ask adopters to provide at least one new gift for each child. If adopting a young child, preferably the gift would be a toy. Gifts for the parents are at the adopter’s discretion. Family holiday food baskets are also available. (Please note on the application if the family requested food.) If adopting an individual or a senior citizen, we ask the adopter to provide either a gift or a food basket. Adopters determine how much more they would like to provide.

Adopters have the option of giving gifts, gift certificates and/or holiday food baskets. If gifts – adopters shop for the gifts. (Wrapping gifts is optional.) If giving gift certificates or holiday food baskets – they can be purchased privately by you or through our agency. Our agency will have holiday food baskets available for pick up starting **Wednesday, December 13 for \$60-\$80 each**. The deadline to order food baskets is **Friday, December 8**. A food basket consists of the traditional Christmas dinner food items.

You are welcome to make contact with the family to let them know of the adoption. They should be able to provide any additional information needed. It is also good to set a time and date for delivering gifts. Adopters can also chose to remain anonymous. If adopters choose anonymity, gifts should be delivered to our agency no later than **Monday, December 18**. Our staff will contact the family to make delivery arrangements.

If you would like to make your selection in person, please visit our office from 8 am to 5 pm beginning **Monday, November 13**. If you prefer to make your selection digitally, please provide the following information. Upon completion, please email, fax or mail the form to our agency. We will then send you a variety of information sheets to review.
